

For the attention of students who intend to take the MAP A2 this semester (SoSe 2026)

This exam will take place as follows:

Date Monday, 28th September 2026.

Time 14:00-17:00 (**writing duration** of 90 minutes within this time slot)

Venue HS 33 (K.11.24)

Students must officially register for this exam, which carries a restriction on the number of attempts (*eingeschränkt wiederholbar*). Please make a careful note of the following details concerning registration procedures:

REGISTRATION FOR THIS EXAM IS EFFECTED VIA YOUR DIGITAL PORTAL STUDIELÖWE

Registration opens on Monday, 3rd August 2026.

Registration closes on Monday, 31st August 2026.

Withdrawal of your candidacy will remain possible until 21st September 2026. see (a) below

(In the event that you experience technical difficulties when registering via your digital portal, alternative application forms are available for downloading. Visit the ZPA site linked as follows, and find information under your degree program and PO, which is listed alphabetically): <https://www.zpa.uni-wuppertal.de/de/studiengaenge/>

Apart from your registration with the ZPA, it is essential that you also enrol onto the designated Moodle platform, *Sprachpraxis MAP A2*, for which **MAP-A2** is the self-enrolment key. All information and updates will be officially communicated to candidates via Moodle, for which reason **timely self-enrolment** is important.

Link directly to *Sprachpraxis MAP A2* platform here:

<https://moodle.uni-wuppertal.de/course/view.php?id=22336>

NB Please note that the *Sprachpraxis MAP A2* platform is strictly reserved for those students who intend to register with the ZPA for the forthcoming MAP A2 on 28th September 2026. If this does not apply to you, or if you decide to withdraw your candidacy at any stage, you must unenrol yourself without delay. We use this platform to maintain contact with actual candidates, and we need to know exactly how many and who these individuals are. Enrolments that do not meet this criterion are a source of confusion, and can lead to unnecessary administrative work and inefficiency.

- (a) Failure to withdraw your candidacy within the time limit will result in your application being counted as one of the three attempts allowed. The exception to this rule is an immediate post-deadline notification to the ZPA in the event of illness that would prevent you from taking the exam (supported by a medical note)

If you have any questions that have not been addressed here, please contact Mr. Branca by email (branca@uni-wuppertal.de) or Dr. Muwanga (muwanga@uni-wuppertal.de).
